SKY UMBRELLA GENERAL TRANSPORT BY HEAVY TRUCKS

Pickup Trucks

A pickup truck or pick-up, often simply referred to as a pickup, is a light motor vehicle with an open-top, rear cargo area (bed).

In North America, the term pickup is used for light trucks with a lighter duty chassis and factory built, integrated bed, as well as for couple utility vehicles, often based on a personal car chassis, but also often on a special dedicated chassis for such use. Types of pickups available.

- **3 Ton Pickup**
- **7 Ton Pickup**
- **10 Ton Pickup**
- **Boom Truck (Pickup With Crane)**
